CALL FOR CENTRAL SECTION AWARDS APPLICATIONS

We are looking for outstanding planning projects, activities and individuals to be nominated for the 2022 APACA Central Section Planning Awards. There are twenty-six (26) different award titles this year that include (9) award categories that correspond with APA National Awards.

The purpose of our Section Awards Program is to encourage quality and innovativeness in planning that will increase public awareness of the planning profession through recognizing outstanding achievement in the urban and regional planning field. The Central Section is comprised of Fresno, Inyo, Kern, Kings, Madera, Mariposa, Merced, Mono, Stanislaus, Tulare, and Tuolumne Counties.

Several award categories this year need to achieve an "Excellence" or "First Place" win at the Local Section level to qualify for a Chapter Award and there are many other awards categories that need not win a Section award to qualify for a Chapter award. Please refer to the 2022 APA California Chapter Awards Program Policy for more information. We encourage you to submit a nomination in any of the award categories to the Central Section first before submittal to the State Chapter.

Application and submittal requirements for Central Section Award nominations are available on-line from the Section website (cencalapa.org). Application for State Chapter nominations is available at <http://www.apacalifornia.org/events/awards-program/>.

Central Section Award nominations are due by Friday, March 25, 2022.

PLEASE NOTE: 2022 State Chapter Awards nominations are scheduled for submission on May 13, 2022 (Tentative)
