## THE SUMMIT:

Will take place at the DoubleTree hotel in downtown Modesto on September 14th. Our annual Summit is a unique and highly anticipated opportunity that brings together elected officials, government agencies, developers, service providers, community-based organizations, and advocates from across the Valley to join in partnership and strategize around affordable housing issues.

The conference will address the housing crisis beyond issues of affordability - looking at the urgency of the Valley's current housing issues and ways in which the San Joaquin Valley is leading the way in creating diverse, equitable, and inclusive communities.

Topics this year include: leadership development, affordable housing financing and resources, strategies for addressing homelessness, disaster recovery and prevention, community investment, among other valuable trainings.
